

**Martin & Hobbs | Curriculum Vitae | 2009**

Martin & Hobbs is a collaborative project between the painter Fergus Martin and the photographer Anthony Hobbs. They joined forces in 2001 out of a desire by both artists to explore new ways of experiencing the human figure as a living entity, and to bring to this their different experience as painter and photographer. They have exhibited in Venice and Dublin. Their work *Frieze* was purchased by The Irish Museum of Modern Art in 2003.
